Welcome Letter

Dear Partner,

Thank you for considering a partnership with The Underground, a 501(c)(3) nonprofit organization committed to preaching the Gospel, discipling nations, and caring for the vulnerable. This packet introduces our story, the communities we serve, and the ways your partnership helps move this work forward.

We believe humanity was made for more. Through prayer, discipleship, gatherings, and practical care, we seek to see people, stand with them, and create pathways for communities to flourish. Our work grows through relationships and a commitment to respond faithfully to the needs before us.

Rooted in the Great Commission in Matthew 28:19–20, we go where God leads to share the hope of Jesus and help people grow in their faith. Your partnership helps us support local leaders, serve children and families, care for widows and orphans, and create opportunities that reflect God’s love in everyday life.

We invite you to become part of this work through prayer, giving, and service. As you explore this packet, we hope you see both the heart behind our mission and the meaningful role you can play in the lives of those we serve.

With heartfelt gratitude,
The Underground

Humanity Was Made for More

We believe every person was made for more. Scripture tells us that humanity was created in the image of God (Genesis 1:27). Jesus said He came so that people “may have life, and have it to the full” (John 10:10, NIV). This is the conviction behind our words: ***Humanity Was Made for More.***

Perhaps you have felt it in your own life. You may be building a career, raising a family, serving your church, or carrying responsibilities few people see. Yet somewhere within you, you know your life can be part of something beyond yourself. We believe God invites each of us to know Him, to love others, and to live with purpose.

Across our travels and mission work, we have met people facing circumstances very different from our own. We have also seen their strength, generosity, faith, and hope. Those experiences have made this conviction more than a phrase for us. No one is defined by what they lack or by the hardship they face. Every person bears God’s image, and every life has immeasurable worth.

We cannot meet every need in the world. But we are deeply humbled and honored to serve in places where resources are scarce, to stand alongside people, and to help create opportunities where we can. Wherever we go, this remains our cry: Humanity Was Made for More.

Our Story

The Underground began with a simple desire: to follow Jesus and serve people faithfully. In the beginning, that looked like gathering to pray, building relationships, and showing up for people in practical ways. We did not know how far those small steps would lead. We simply wanted to be present, listen well, and respond to the needs in front of us.

Over time, those relationships opened doors to serve communities in Houston and beyond. Each new opportunity grew through the trust of people who welcomed us, the commitment of those who served alongside us, and the generosity of partners who believed in the work. What began in small gatherings has grown into a shared effort to pray with people, care for the vulnerable, and create opportunities for communities to flourish.

Today, we still move one step at a time. We seek to see people, stand with them, and help build pathways forward. As The Underground grows, our commitment remains the same: to follow Jesus, serve faithfully, and work alongside others wherever doors open.

Our Vision

We envision a world where every person is seen, valued, and empowered to flourish. We believe stronger individuals create stronger families, stronger families create stronger communities, and stronger communities help shape a better future for generations to come.

Our Mission

To see people, stand with them, and help build pathways forward. Through service, discipleship, outreach, leadership development, vulnerable care, and strategic partnerships, we seek to respond to opportunities that create hope and strengthen communities.

Core Values

Our core values are the convictions that shape our decisions, guide how we serve, and keep us focused on what matters most.

Presence

We value God's presence above all else. Prayer keeps us close to Him and attentive to His leading. Before we make plans or respond to a need, we seek His wisdom. The time we spend with Him shapes how we love people and serve them faithfully.

People

We value people because every person is created in the image of God. We want those we serve to know they are seen and that their lives matter. This calls us to listen, build genuine relationships, and serve with compassion and dignity.

Places

We value the places where people live, work, and find themselves in life. A neighborhood, a nation, or a difficult season can each be a place where we show up and serve. We pay attention to the people already there, learn from them, and work alongside them to bring hope and practical care.

Purpose

We believe God has purpose for every person and every place. He works through ordinary people who are willing to follow Him and serve where they are. As opportunities grow, we remain committed to helping people discover what is possible and building pathways for communities to flourish.

How We Work

Unite & Build

Our core values shape how we serve, and Unite & Build describes how we put them into action. We bring people together through prayer, shared purpose, and genuine relationships. Then we work alongside them to respond to needs and create opportunities for people and communities to flourish.

What do we mean by Unite?

We unite people who want to pray, serve, and put their gifts to work. That includes believers, local leaders, partners, and the communities we serve. We believe we can do more together when we listen to one another, value each person's contribution, and move with a shared purpose.

What do we mean by Build?

We build by turning those relationships into faithful action. Depending on the needs and opportunities before us, that may mean discipleship, outreach, education, care for vulnerable people, or community initiatives. Building takes time, trust, and a willingness to keep showing up.

Uniting brings people together. Building gives us a way to serve together. Both begin with presence: being attentive to God and to the people and places in front of us.

Our Pathways

Our Pathways

The Underground serves through five pathways. Each has a distinct purpose, giving us a way to respond to the people and needs before us. They can work independently or come together when an opportunity calls for it. The places we serve and the activities we undertake may change, but these pathways give our work a consistent shape.

HeavenReign | Prayer

HeavenReign brings believers together to pray for the Church, persecuted believers, the nations, and the needs God places before us. Prayer also keeps us attentive to His direction as we serve.

Holy & Blameless | Discipleship

Holy & Blameless is a discipleship tool for ministers and churches. It gives leaders a framework to help people grow in their understanding of God's Word and live out their faith.

Last Call | Gospel Gatherings

Last Call creates spaces for people to encounter Jesus and respond to the Gospel. Through worship, preaching, and community gatherings, we invite people into a relationship with Him.

Missions | Service Near and Far

Missions is how we serve wherever God opens a door, from our own community to places around the world. We bring people together to meet practical needs, encourage local communities, and share the love of Christ.

Eden | Community Development

Eden creates opportunities for people and communities to flourish through education, enterprise, and community initiatives. Our developing work in Uganda is one place where this pathway is taking shape.

More Is Possible Together

Your partnership supports work already underway and helps us respond when new opportunities arise. Here are some of the ways we are seeing people, standing with them, and building pathways forward.

Education for Children

In Uganda, we are building The Underground Children's Learning Center to create more opportunities for children to learn and grow. Your partnership helps support the people and work needed to move this vision forward.

Care for Vulnerable People

We work alongside local partners to care for children, widows, and families facing difficult circumstances. We begin by listening and building relationships, then offer practical support where we can.

Discipleship and Local Leadership

We encourage pastors and leaders as they serve their communities and make disciples. This includes ongoing relationships, biblical teaching, and resources they can use to strengthen their work.

Prayer, Gatherings, and Outreach

We bring people together to pray, share the Gospel, and respond to needs in the places we serve. Partnership helps us remain present and ready to serve when doors open.

Our Work As Missionaries

Any partnerships we receive directly fuel the missions we've dedicated ourselves to support. As missionaries, we are fully committed to the work of the Gospel, sustaining our ministry through both our own professional efforts and the generosity of others. Like the Apostle Paul, who worked to provide for his own needs and those of his companions, we value contributing through our own professional work (Acts 20:34-35).

In this same spirit, we invite you to join us in this Kingdom work. Every partnership level plays a vital role in advancing our shared mission and extending the reach of the Gospel.

Partner Giving Levels

We invite you to partner with us in advancing the work of the Gospel through a monthly giving commitment. Each level of partnership is an opportunity to make a meaningful impact, directly fueling missions that transform lives and spread hope. Your support allows us to extend our reach and make a difference across the communities we serve. Whether you're planting seeds as a Faith Builder or leaving a lasting legacy as a Visionary Partner, every contribution strengthens the foundation of our ministry and empowers us to answer the call to serve. Together, we can continue this important work.
